

Cholera Outbreak - Madhesh Province

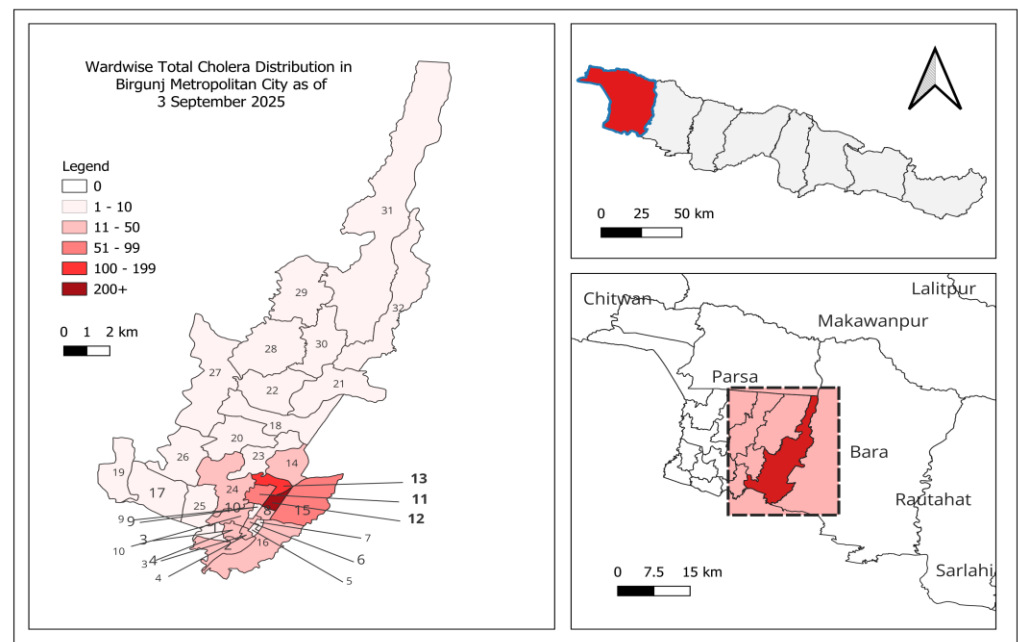

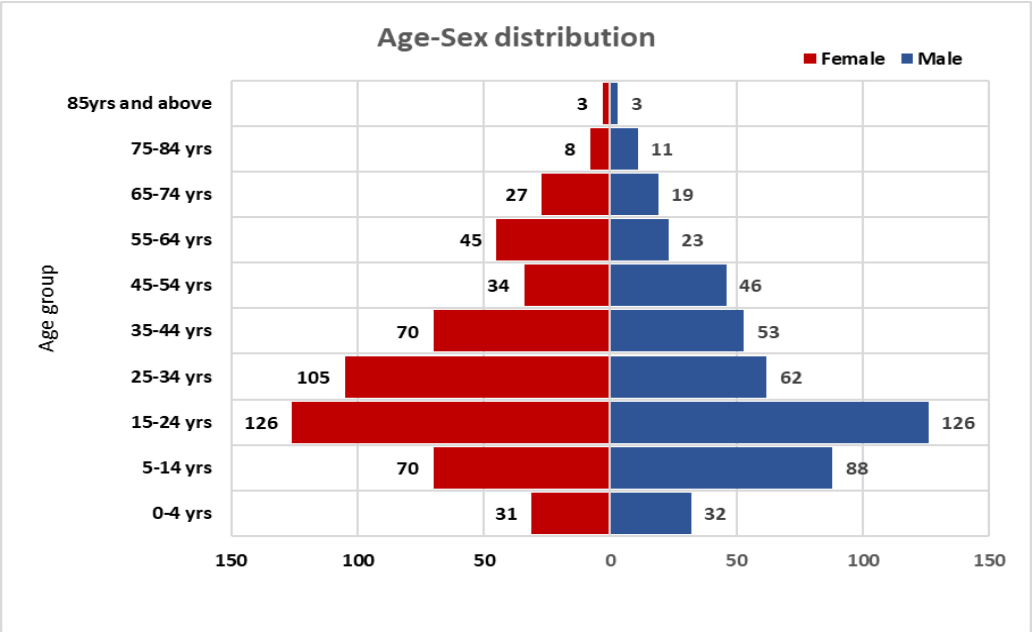

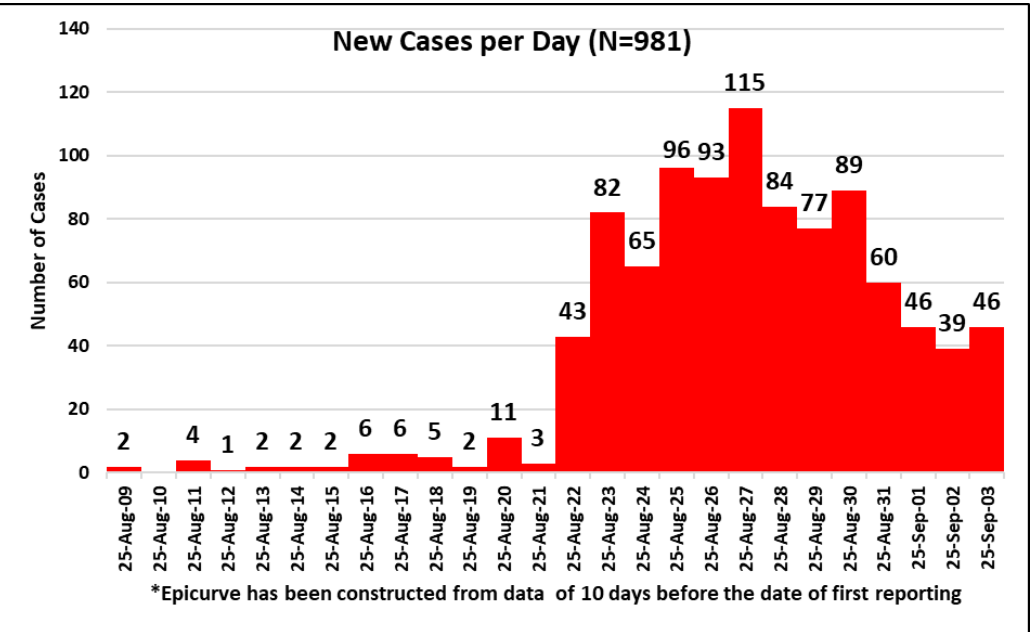

Situation Report #12: 03-September-2025, 6:00PM

Case Summary

 New Cases (in 24 Hr)	 Total Cases	 Recovered Cases	 Active Cases
46	981	923	59

Key Highlights:

- Youth rehabilitation center in BMC-12, Parsa. Six patients have been admitted to the ICU at Narayani Hospital. Water sample collected from the rehab for testing, and BMC has distributed Piyush for water purification.
- The WHO handed over a Lifestraw community water filter to the Medical Superintendent of Pokhariya Hospital, Parsa. UNICEF and Redcross provided Piyush and informational posters to BMC.
- A meeting of the District Health Crisis Management Committee was held at the DAO office in Parsa to review the ongoing response efforts by WHO, BMC, and partners. Key decisions included organizing an orientation program for community volunteers on water quality testing and treatment.
