Recovered Cases
1034

Active Cases
83

Key Highlights:

- A DDMC meeting was held at the DAO Parsa under the chairmanship of the CDO. The discussion focused on school reopening, the quality of community-based surveillance data, and water quality testing in schools.
- Water quality surveillance continually being done by experts in hotspots and other areas of Birgunj in collaboration with DHO and BMC
- Schools advised to maintain FRC level to ensure water safety.
- RCCE/SBC activities ongoing to be ramped up by BMC in coordination with partners.
